The fish that we like are the ones with the scales.

D A D
But now I'm content on the beach with the pup !

Repeat Chorus

A seal will swim by and often an otter,
D A
And sometimes a mermaid will bring her young daughter.
A D G D
And now that it's June and the water's warmed up,
D A D
The Fiddlers jump in right after the pup!

Repeat Chorus then **Final Chorus**

It's time for a toast with Whisky and Beer!
A D G D
Come Hell or Highwater, they always go in,
