C Em F C
Chorus: Oh the broom, the bloody bloody broom

Am Dm7 G
The broom o' the Cowdenknowes

C Em Am C
If I could find the jerk who brought it here

F G
I'd smother him with all those yellow flowers

C Em F C
Each time I go to saunter in the woods

Am Dm7 G
I find this pesky yellow scourge

C Em Am G
I try to pull the shrubs as I go

F G
But they resist my every urge ...chorus

This bloody shrub is invasive through and through
It takes over every hill and wood
'Cause young trees won't grow where the broom's taken o'er
It's cost us millions in wood ...chorus

It's pretty, yes, bit it turns up everywhere
Our hills and our clearings it's devoured
In time it'll win and before we can say
We'll be buried in those vexing yellow flowers ...chorus
